

This week in Kingfisher Class...

Well done to all the brave and talented dancers, singers, actors and narrators in Kingfisher Class who performed in front of hundreds of people on Wednesday night. You were all amazing!

English: We have written the final version of our poem: *'What is Pink?'* The children presented their work neatly, paying attention to their handwriting.

Maths: We started the week by pretending to buy two things from the shop and calculating how much we had spent. The children used part whole models or bar models to solve the calculation. We then investigated how we could make £1 using the other coins and worked out the change from money spent.

RE: We wrote about why the nativity story was important to Christians and what it taught us about Jesus.

Notices and messages:

1. Please send your child to school with an extra pair of socks and an extra layer to wear for Forest School. Your child will also need gloves, a scarf and a hat during the cold winter months. It is important that children are appropriately dressed for the weather so they can fully take part in sessions.
