This week in Kingfisher Class...

This week has been test week at school. The children have completed reading, maths and SPaG tests in Kingfisher Class.

English: This week, we wrote about a special place we knew really well. The children had to remember to use connecting conjunctions, different punctuation marks, expanded noun phrases and many other things when writing independently.

Maths: We used thermometers to measure temperature. We read different scales when doing this and worked out the difference between two temperature readings.

Art: On Monday, the children painted their version of *The Olive Trees* by Vincent Van Gogh, using cool colours. They showed how they could mix colours effectively to create the colours that they needed and then painted using fine paint brushes.

Notices and messages:

1. We are about to start a DT project and would be grateful if you could save any milk carton lids, plastic straws or small boxes (A5 sized).
