## This week in Kingfisher Class...

**English:** We have been learning how to perform poetry, using Spike Milligan's *On the Ning Nang Nong* as our inspiration. We went to visit Miss Jones and the children in Fox class to see if they had any performance tips for us, as they have recently presented their WW2 Showcase to their families. Miss Jones showed us how to warm up and how to project our voices. We are hoping to perform *On the Ning Nang Nong* in assembly next week, using all of this good advice!

**Maths:** We started the week by looking at unit and non-unit fractions. We then worked out  $\frac{2}{4}$  and  $\frac{3}{4}$  of shapes and different amounts by using bar modelling to help us. We also noted the link between  $\frac{2}{4}$  and  $\frac{1}{2}$ .

**RE:** We learnt about baptism this week and how it is an important way Christians show they belonged to their faith family. We also learnt about John the Baptist and what he preached. We ended the week by completing a Hot Task where we listed how belonging is shown in Christianity.

## Notices and messages:
