

Kingfisher Class Newsletter

Friday 4th September 2026

This week in Kingfisher Class...

It has been a pleasure to spend two days with ALL the new Kingfishers. They have worked hard, listened well and looked after each other. We have completed Helping Hands so we know who to talk to in school and home if they have a worry.

We looked at different Kingfishers and linked it to how we are all different. The children then created their own original Kingfisher picture for a display. All different... all flying! We also wrote a postcard sharing a favourite thing from the holidays.

We took part in two silly PE lessons to learn listening skills and working together. We ended the day today with some choosing time.

Notices and messages:

1. Our PE days will be Thursdays and Fridays. On Thursdays please send your child to school in their Forest School kit which they will also do PE in. On Fridays all pupils will need to come to school in their PE kits.
2. We were unable to sort new reading books for the children today due to a technical hitch but will do so next week. We use Accelerated Reader from Year 2 onwards. I have attached a parent information letter. Some children will continue with Phonics books which will come home on Monday.
